Nana Hesse Ogyiri
Presidential Staffer
Office of the President
Jubilee House
Accra.

Dear Sir,

RETRACTION AND APOLOGY

Please accept our compliments.

We act as solicitors for and on behalf of **Brogya Genfi**.

We have our client's instructions to write to you on the above subject matter.

Our client informs us that on the 6th of April, 2020, you posted the following on your facebook page:

"I have problem with President Nana Addo. Who is advising the President? You have intentionally closed down schools and paying teachers full salaries. Meanwhile these teachers are in the house doing nothing. Can't the President cut down teachers salaries by 30% and use some to buy PPEs?" Brogya Genfi Power F.M.

Our client informs us that the said post is a blatant lie, fabricated by you and aimed at causing disaffection for him from well-meaning Ghanaians especially teachers.

Our client informs us that he has not granted any interview to Power FM in recent times and neither has he uttered the words you attribute to him.

We hold our client's instructions to demand that you retract the said post and issue an unqualified apology to him within the next 24 hours upon receipt of this letter or notice of this letter.

We hold our client's instructions to inform you that if this matter remains unresolved within 24 hours from the date you receive this letter, we should proceed to file a law suit against you, wherein we shall seek the maximum damages allowed by law, plus legal fees and cost of court.

We wish to state further that, this letter is not intended to be a complete statement of facts of our clients' rights, and should not be construed as a waiver of legal or equitable remedies, all of which are expressly reserved.

We thank you.

Yours faithfully
Addo, Addo (Legal Attorneys)
