Dear Honorable Kingsley Carlos Ahenkorah,

NOTIFICATION OF RECOVERY FROM COVID – 19

The Ghana Health Service wishes to inform you that you have **obtained two consecutive negative** laboratory test result for COVID – 19. For this reason, you are deemed to have recovered from COVID – 19) infection, and so can return to work.

This however does not mean you are immune from contracting the virus henceforth. As a result, you are advised to continue to observe the under-listed precautionary measures:

- use of a face mask at all times, especially in public places,
- frequent washing of hands with soap under running water,
- covering your mouth and nose with tissue paper when coughing or sneezing and disposing off the used tissue properly,
- maintaining social and physical distancing with other people (minimum of 2 meters)
- drinking enough water.

Whilst grateful for your co-operation thus far, we are looking forward to its continuation as we strive to ensure your safety and that of other Ghanaians.

Thank you.

A handwritten signature in blue ink, appearing to be 'P. Kuma-Aboagye', is written over a horizontal line.

DR. PATRICK KUMA-ABOAGYE
DIRECTOR GENERAL
