Press Release

COALITION OF UNEMPLOYED ALLIED HEALTH PROFESSIONALS EXPRESSES OUR DISPLEASURE OF UNFAIR TREATMENT AND NEGLECT TO GOVERNMENT OVER ITS RELUCTANCE TO GRANT US FINANCIAL CLEARANCE AND PERMANENT POSTING

Coalition of unemployed allied health professionals wish to draw the attention of government, ministry of health, ministry of finance and the general public to our predicament ,even though countless letters and engagements has been made since 2023 till date, the outcome has always been posting will come soon

It is imperative for the government to acknowledge the predicament of trained Allied Health professionals who are currently being compelled to remain at home, renew their PINs annually without being able to utilize it. We therefore wish to let all Ghanaians know through the media that, we have allied health professionals who for about 5years now are still unemployed in the house

Coalition of Unemployed Allied Health Professionals, encompasses Medical Laboratory Scientists, Community Mental Health Workers, Disease Control Officers, Field Technicians, Health Promotion Officers, Health Information Officers, Records Officers, and various other skilled professionals who went for training qualified and licensed to practice remains jobless after 5years.

We therefore call on Ministry of finance to grant us financial clearance, Ministry of health along with other pertinent agencies, to open their portal to the Allied Health Professionals who have completed school andtheir mandatory national service and successfully passed their licensure exams since the year 2019. So that skills,knowledge and resources used in training us do not go useless

Thank you.
